News in a Shell

- 1) Bob Lassiter said the word, again, the same word that got him his "don't leave" Tampa pass. He is also marrying Mary Turner, WPLPS' business manager. She use to co-host the WPLP dating show. Lassiter got her drunk, or visa versa during one of the WPLP dating show parties and they have been living happily ever after. As soon as I get the air check of the incident I will make it available...
- 2) Lee Fowler is SCUM; I had to say that. I feel better now.
- 3) Now Mike Anthony has really done it! Dr. Tony Grant, Mike? Yes, Dr. Tony Grant 9-11 p.m. weekdays only, and thank god, only on WIOD. This man is a true idiot, dummer than Fowler! I can't wait to see the Winter book. WKAT and WIOD will be tied at a 1.5. Someone needs to buy Mike 50 pin striped suits and ship him to Imokaly, please. Anthony is destroying WIOD, and it's not funny. WIOD could enp up to be another WGBS. All that's missing is the Condo Connection Show with Neil Garfield. I heard that Neil Rogers is holding a prayer sermon for Mike Anthony at the Hallmark when the Pope comes to town.
- 4) It's nearing that time again, the train to talk show heaven is leaving, and Shirley is the next passanger.
